October 2022

**World summit on Education 2023**  
**Virtual Summit March 20 – 23<sup>rd</sup>**

My last newsletter included a copy of the *Thinking Schools South Africa* (TSSA) newsletter. I encouraged you to consider joining as a network member, as the professional development options are excellent. I suggested we consider the idea of a road show with TSSA and perhaps linking into their list of amazing contributors to see if we could be included on their tour offering a presentation in East Africa as an option.

As an extra incentive to join TSSA as a network school, they have offered us a very generous and exciting opportunity that is only available to the TSSA network schools. To be a network member, they are offering us a pro-rata rate of £37.74 as their membership is from April to April each year. Thus giving membership to 31<sup>st</sup> March 2023.

Attached you will find a flyer for the World Summit on Education that takes place virtually from 20 – 23<sup>rd</sup> March 2023. Please take a moment to review this flyer and consider the amazing learning opportunity it will provide. Further to the actual summit are the following points to note

Post summit

- Access to the information for one year
- Monthly discussions on a given topic with Stephen Cox, the founder of Osiris Education and organiser of the WES

In order to access the very generous price of £22.50 per person, TSSA will sign up 400 registrants. They are inviting East African schools who have joined as members based on the offer above, to take part in this exciting opportunity.

Please contact Sonja Vandeleur directly through email: [Sonja@thinkingschools.org.za](mailto:Sonja@thinkingschools.org.za)  
If you are interested. She will then share the *PAYFAST* information for easy payment.

October 2022

Sonja will be contacting you all directly in January 2023, but I wanted to introduce you to the idea and to Sonja of TSSA first.

Please don't hesitate to contact me directly if you have any questions
